OTHER:

BENETEAU SWIFT TRAWLER 37 FLY

The spectacular new Swift Trawler 37 Flybridge combines **style, comfort and freedom** to offer **discreet elegance on the water**.

BENETEAU has been innovating for over 140 years. We never stop listening to our customers' feedback. This has led us to create the **ultimate family cruiser, with optimal space** and **performance** for life on board.

EXTERIOR DESIGN

The spectacular flybridge layout offers an elevated helm position for excellent visibility, along with a very cosy U-shaped seat with forward-facing backrests, table and integrated refrigerator.

Even with this classic layout, there is **plenty of space** to store water toys, as well as accommodating **modern entertainment and navigation equipment**.

INTERIOR DESIGN

Social interaction is at the heart of the deck design, with a U-shaped galley and a sofa that **create a feeling of spaciousness**

. Added to this are numerous storage options and the possibility of installing a large refrigerator and freezer. The sofa quickly converts into a double berth with a curtain for privacy.
In addition, we have incorporated an innovative lift-up table that cleverly transforms into a comfortable workstation.

On the lower deck, the spacious owner's cabin stands out, as does the master bathroom, which features Jack & Jill doors and a separate shower cubicle.

The galley and bathroom feature Corian countertops as standard, while the new Luxe package, which adds comfort and a new design, allows you to enjoy life on board even more.

THE PERFECT HOME ON THE WATER

This modern cruiser is the perfect space for family life and fun, from well-equipped fridges to fully equipped cabins and storage spaces ideal for extended cruises with guaranteed reliability and performance.
