The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

## OTHER:

We are thrilled to unveil three new 28-foot models: the Wellcraft 28 Speedster, Wellcraft 28 T-Top, and Wellcraft 28 Explorer. Whether you crave open-air freedom, thrilling performance, or enclosed comfort for extended journeys, our all new 28-foot models are built for you.

With the same impressive performance hull as its siblings—and the added benefit of a fixed T-Top and the option of a High or Sport windscreen—this model offers protection, versatility, and style. With an overall length of 28 feet and a beam of 9'6", and a dry weight of around 5,950 lbs, the 28 T-Top commands a strong presence on the open sea without sacrificing the agility of a day boat. Built around a walk-through deck, closed transom and generous amenities, the cockpit can be configured as Lounge (social for up to 13 guests), Relax (sun deck layout) or Barracuda (ready for fishing) depending on your lifestyle. Whether you're entertaining friends or heading out for serious cruising, the T-Top offers a balance of outdoor freedom and safety in all weather conditions.
