Performance, Elegance & Pure Sailing Pleasure

Discover the superb Beneteau First 36, delivered in June 2022 and sailed exclusively in the beautiful waters of Palma de Mallorca. Combining the spirit of a racing yacht with the comfort and versatility of a modern cruiser, she is the perfect choice for sailors seeking exhilarating performance, effortless handling and unforgettable moments at sea.

Freshly serviced, extensively upgraded and ready to sail, this Beneteau First 36 is presented in impeccable technica condition. Her maintenance has been carried out conscientiously and on schedule, with numerous improvements enhancing her performance, safety and reliability. Highlights include a white carbon mast and new North Endurance sails, together with recent racing antifouling, hull polishing, steering calibration and servicing, keel alignment and symmetry checks, keel bolt inspection, renewed sealant, new anodes and a polished propeller.

The result is a yacht that is lighter, faster and more refined, ready to deliver an outstanding sailing experience from the very first outing. Cosmetically, she shows only light signs of normal use and has clearly been exceptionally well cared for.

Outstanding Sailing Performance

The Beneteau First 36 is a true **racer-cruiser**, designed for sailors who appreciate the perfect balance between speed, responsiveness and versatility. Light on her feet and quick to get up to speed, she offers exhilarating downwind and reaching performance while remaining enjoyable and rewarding on all points of sail.

Her well-designed deck layout ensures clear, intuitive handling, making her equally suitable for solo or double-handed sailing, competitive racing or relaxed coastal cruising. Whether chasing the wind or enjoying a leisurely passage along the Mediterranean coast, she delivers an engaging and dynamic sailing experience.

Ready for Her Next Adventure

With her extensive upgrades, up-to-date maintenance and complete documentation, the Beneteau First 36 represents an exceptional opportunity to acquire a modern, performance-oriented sailing yacht without the wait or uncertainty of a new-build process.

A sea trial can be arranged at any time, allowing you to experience her impressive sailing qualities firsthand. Delivery can also be organised for an additional fee to Germany, the Netherlands, Scandinavia or another destination of the new owner's choice.
