OTHER:

With the Oceanis 42, we are ushering in a new era in the strategic 40-foot segment. As the successor to the Oceanis 40.1, this model represents a more established and versatile generation, with a choice of five layout options.

The Oceanis 42 opens a new chapter.

The essence of our savoir-faire.

Natural light draws the eye. The spaces are spacious. The ambience is elegant, contemporary and refined.

The interior upholstery is premium quality, with three distinct styles: 'Ivory', understated and classic; 'Sunset', very cosy; and 'Pacific', refreshing and timeless.

Always guided by attention to detail, the sand-coloured oak finishes lend a sense of softness and modernity. The 2 mm-thick wooden edging reinforces the tactile sensation of quality and luxury. Every detail has been carefully considered to create an exclusive and enduring ambience.

The saloon is spacious, light-filled and designed to be inviting. Opposite it a proper desk defines the owner's space. We have also integrated a bookshelf into the bulkhead at the base of the mast, as well as a cabinet at the foot of the companionway staircase that houses all the boat's electrical controls, ensuring a clear and rational organisation of the on-board systems.

The Oceanis 42 is designed to let you enjoy the sea in complete comfort, combining inviting spaces, contemporary design and practical solutions for an even more enjoyable sailing experience.
