With the Flyer 9 SUNdeck, BENETEAU once again demonstrates its mastery of space on board and further enhances the comfort features of the previous generation. Now, more than ever, the pleasure of driving this boat is combined with comfort of life on boat and ease of navigation.

EXTERIOR DESIGN

Optimized deck area, sporty design, the Flyer 9 SUNdeck is a welcoming day-boat with neat finishes. By adopting the wide port forward Smart Walk around borrowed from the Flyer 10, the Flyer 9 offers excellent accessibility to the spacious front deck and great safety.

A fishing station is available as an option, as well as rod holders in the freeboards.

INTERIOR DESIGN

While the Flyer 9 SUNdeck can accommodate in its cockpit, it also features a comfortable cabin, which is particularly large and has two large double berths. The bathroom proves surprisingly large with a separate shower.
