EXCESS 11

ALL THE FEATURES OF A BIG BOAT

The Excess 11 is the only large-scale production boat on the market for this size of catamaran. She is one of the smallest cruising catamarans capable of offering so much comfort and space, not to mention the thrill of sailing. The Excess 11 is a boat capable of long passages and is made for life on board. The work of the naval architects and designers has been focused on one objective: to create a real cruising catamaran capable of taking you to the most remote spots on earth to enjoy an isolated cove, an abandoned beach or a secret wave

EXCESS 11

WELCOME ON BOARD!

Excess 11 has benefited from the experience of her elders, without sacrificing all the comfort attributes needed for enjoyable cruising. Add to this a volume worthy of a larger boat, whether in the saloon or in the cabins, with for example a 2 by 2-meter (6½'x6½') bed in the owner's cabin or bathrooms with separate showers! On deck, she offers the comfort and friendliness of a large open cockpit and twin helm stations, offering both real steering sensations and direct contact with the rest of the crew.
This is the synthesis of the Excess spirit: a beautiful, simple, light and comfortable boat!
