## OTHER:

The Oceanis 30.1 is easy to sail, yet lively to helm and promises new experiences and thrills. This robust, smart little cruiser is small enough to trail, opening up endless possibilities for lake and river sailing, as well as coastal sailing and high sea adventures.

With a stemhead, hard-chine hull, well-proportioned sides and coachroof, the Oceanis 30.1 artfully resembles a small yacht.

The Finot-Conq plan has met the double challenge of power and simple navigation. With her slender bow, optimized weight, and square-top mainsail, she performs well in all points of sail.

For beginners or for short-handed sailing, the self-tacking jib and the single winch make her easy to handle. For performance, the Oceanis 30.1 has a large overlapping genoa, a furling code zero and an asymmetric spinnaker. Aft, a step affords access to the sea and can be supplemented by a small lifting platform.

With a few extra inches won in strategic places, the Oceanis 30.1 differs from other boats thanks to a headspace of 6.5 ft in all the areas inside where it is comfortable to stand.

The two sizable double cabins each have berths running lengthwise and an open entryway making them feel particularly spacious. The two benches in the salon provide an additional place for two extra berths.

The large shower room is divided into a marine toilet on one side and shower and washbasin on the other. At the foot of the gently sloping companionway, the L-shaped galley has top and bottom storage, a 20 US Gal refrigerator and a real oven under the gas hob stove top.

**Please inquire about the offer and availability for the 2026 season.**
