OTHER:

True to the Antares range, the Antares 12 Coupe reaffirms its position as a versatile family cruiser, designed to embark on long voyages across all latitudes. Building on proven experience and complementing the Antares 12 Fly, it combines comfort, elegance and innovation with a spirit of shared enjoyment and serenity.

With its unique design and modern silhouette, the Antares 12 Coupe takes up the aesthetic codes that have characterised the range for 45 years. The hull windows and moulding create a fluid line, while the protective, streamlined rear canopy emphasises the overall balance of the boat.

The electric terrace on the starboard side naturally extends the outdoor space and facilitates access to the water, whether for paddle surfing or swimming.

INTERIOR DESIGN

Ideal for family cruises or getaways with friends, the Antares 12 Coupe perfectly combines modularity and space. The spacious, bright and refined owner's cabin has its own bathroom, as do the guests, who enjoy a fully equipped cabin. A third modular space can be transformed as needed into an additional berth or storage area. Combined with the convertible saloon at the helm, the Antares 12 Coupe can accommodate up to eight people on board for a pleasant night at anchor off the coast.

EXCEPTIONAL COMFORT FOR LONG CRUISES

Designed to offer exceptional comfort, the Antares 12 Coupe is perfectly suited to long-distance cruising. Much more than just a weekend boat, it offers the ideal conditions for spending several days on board, at your own pace and in complete tranquillity.
