FREEBIRD CLASSIC "GALAXIA" - Boat in perfect use currently. It has been fully restored in 2014 leaving it 'from a magazine'. And that it has been practically without use for 8 years, due to illness of its previous owner. And that a complete REFIT was made in December 2022

It is a unique design, number 364 named 'Black Jack' by the famous Dutch designer Van de Stadt. It was built in 1987 by a meticulous Swiss engineer who made this design a true work of art, finished to the utmost detail. It is a boat with character, special, very exclusive. In navigation it is an extremely solid and seaworthy boat, perfectly suitable for a round the world or similar journeys.
