The two architects behind this free-flowing, wonderfully nimble 54-footer are Roberto Biscontini and Lorzenzo Argento, whose creation paves the way for a new generation of high-end cruisers that optimize cockpit and interior layouts without any sacrifices to performance, practicality, or comfort. The yacht carries the unmistakable DNA of the Oceanis range, a delicate balance of form and function that make her as pretty as she is capable, and as focussed as she is versatile, equally ready for a fast ocean passage or a leisurely double-handed sunset cruise. With an emphasis on build quality, high-end materials, and the innovative vision that has always been a staple of the BENETEAU brand, the Oceanis Yacht 54 truly represents the pinnacle of the modern monohull cruising design.
