BENETEAU MONTE CARLO 6 - BUILT 2018, PUT IN WATER 2019!

The Monte Carlo 6 is the crowning achievement of the premium line created by Beneteau in 2013 and she has won over the most demanding boaters worldwide. Elected boat of the year in the 'Flybridge up to 60ft' category at the 'Motor Boat Awards', the MC6 has carved itself a niche through style, services and a top quality build. She has all the qualities of a yacht, of this there is no doubt.

EXTERIOR DESIGN

The Monte Carlo 6's has an attractively flared hull design and round elegantly crafted portholes – the hallmark of the yacht tradition. Immediately recognizable at sea, this magnificent motor cruiser is also characterized by the luxurious living space on the flybridge. Equipped with two Cummins 600 hp engines, the Monte Carlo 6 reaches a top speed of 28 knots and has all the torque needed for dynamic acceleration.

INTERIOR DESIGN

The Monte Carlo 6 boasts great harmony between incredibly spacious living spaces and a layout marrying interaction with privacy. Top quality materials and detailed finishes offer a unique lifestyle for a motor cruiser this size. The interior boasts a spacious and open design, seamlessly connecting the galley at the centre of the boat with the huge lounge and central steering station. With three beautiful cabins with en-suite shower rooms, below deck is the paragon of luxury.
