OTHER:

Swift Trawler 37 Sedan

The new **Swift Trawler 37 Sedan** represents a bold step forward for BENETEAU's popular line of cruising boats. After 140 years, we continue to innovate and have unleashed the full potential of this family cruiser's deck.

The new space has opened up a whole new world of possibilities that can be adjusted and customised to suit your own needs.

EXTERIOR DESIGN

The modern sedan configuration introduces a **totally new concept of adaptable space**. Whether you enjoy an **active lifestyle** or are looking for **pure relaxation**, you can configure the **space to suit your needs**.

The **open deck**, accessed via the built-in staircase, can **easily accommodate** sun loungers, umbrellas and tables to create the perfect space for socialising. Or, for families with lots of water and land-based equipment and toys, it is an easily accessible storage area.

INTERIOR DESIGN

The U-shaped galley, with a large optional fridge and freezer and plenty of storage space, is complemented by a spacious U-shaped sofa seating six people that quickly converts into a double berth with a curtain for privacy.

The raised bow seat on the port side features a new innovation: a **smart lift-up table** that creates a **comfortable workstation next to the helm**.

The owner's cabin occupies the lower area and the private bathroom has a separate shower cubicle.

The galley and bathroom feature Corian work surfaces as standard, while new décor and the **Luxe comfort package** can further enhance life on board.
