OTHER:

THE NEW STAR OF FAMILY CRUISING

The new flagship of the Antares range remains faithful to the identity and history established by its predecessors. The Antares 12 takes a step forward in terms of equipment, on-board comfort, feeling of space and refinement. Its recognisable style in all sailing areas and its great versatility will delight the whole family.

With its bold, modern aesthetics, the Antares 12 confirms the visionary design and spirit that have marked the success of the range for 45 years. The gunwale and hull windows form an elegant curve. The iconic bow is topped by a long, highly protective roof. This supports the flybridge, which blends delicately into the boat's lines.

The Antares 12 offers three outdoor saloons: the cockpit, the foredeck solarium and a very spacious flybridge with a corner sofa and a fully equipped outdoor kitchen.

The Antares 12 stands out for the quality of its materials and finishes, as well as for the style and richness of its configurations. The wheelhouse, the central living space, offers a panoramic view of the ocean.

The fully equipped galley allows you to give free rein to your culinary imagination. The vis-à-vis saloon offers a very friendly space. Indirect lighting, refined upholstery and lacquered furniture create a peaceful atmosphere, conducive to relaxation and contemplation.

On board, everyone's privacy is preserved: the spacious and bright owner's cabin is equipped with a private bathroom, as is the guest cabin. A third modular space can be transformed in the blink of an eye into a third double cabin. With the convertible saloon in the wheelhouse, up to 8 people can embark for a pleasant night on board
