OTHER:

In the wake of the announcement of a revolutionary new range of express cruisers, BENETEAU has just unveiled its flagship model – the Gran Turismo 50.

Designed around an innovative approach to the layout, appearance and ergonomics of fast cruising boats, and developed from the brand's in-depth knowledge of its customers' expectations, this new yacht offers an incredibly versatile platform that stays true to the Gran Turismo concept.

Behind the powerful and modern aesthetics of the new Gran Turismo 50 lies a fully versatile platform, with a layout that lends itself to safe sailing and transforms into a veritable palace once moored. The **immense relaxation areas** are connected by a **continuous deck**, allowing **easy access to the three-station helm**. Whatever the mood, whatever the purpose – **the Gran Turismo is a master of adaptation.**

While the exterior of this flagship is **open to any environment**, the interior is clearly **a space of serenity and peace that combines colours and materials in a comprehensive study of the art of physical comfort**. The **brand's 140 years of experience** are clearly reflected in the **play of light, the volumes, the ergonomics and the finishes**. Life on board becomes, quite simply, life.
