A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

OTHER:

UNPARALLELED SENSATIONS OF SPEED WITH THE WIND AT YOUR BACK

The First 36 SE is a high-performance planing hull sailing boat that combines speed and finesse at the helm. With every gust, the First 36 SE accelerates effortlessly, offering an exhilarating communion with the elements and providing true sailing pleasure.

OPTIMISED FOR THE ORC RATING

The First 36 SE has been meticulously designed by an internationally renowned team, including Samuel Manuard and Maurizio Cossutti, to optimise the ORC rating. Every aspect has been improved, from the hull shape and cockpit layout to the keel design and displacement of the yacht, to maximise the speed and balance of the boat and aim for a better rating.

FUNCTIONALITY AT THE SERVICE OF PERFORMANCE

Designed for experienced sailors, the First 36 SE retains the practical features of the original First 36. Its optimised cockpit and interior offer all the essentials for life on board, making it an excellent choice for regattas and ocean cruising.

EVOLUTION OF PERFORMANCE

Built with a vacuum-infused sandwich hull, deck, bulkheads and interior components, the First 36 SE combines lightness and exceptional rigidity. Thanks to innovative material optimisation, it is 400 kg lighter than the standard First 36, giving it superior speed and rudder flexibility.
