OTHER:

The 2017 Beneteau Oceanis 41.1 is much more than just a sailing yacht: it is a constant invitation to explore the sea in style, comfort and freedom.

On deck, everything is designed for enjoyment: uncluttered spaces, a spacious cockpit that invites you to share unforgettable sunsets, and a swim platform that connects directly with the sea, as if the ocean were part of the boat itself.

Inside, the Beneteau Oceanis 41.1 surprises with its brightness and contemporary design. Warm wood, meticulous finishes and clever layout create a welcoming atmosphere where every corner invites you to relax. Its cabins offer real comfort, whilst the saloon becomes the heart of the boat, a space where sailing stories come to life.

This boat has been immaculately kept with a full service history.

The solar system was newly installed in May 2025.
