## OTHER:

The Beneteau Oceanis 51.1 (2021) represents a new generation of cruising yachts, combining modern design, outstanding performance, and luxurious onboard living. With her sleek lines, stepped hull, and spacious layout, she stands out as one of the most versatile and desirable 50-foot sailboats on the market.

Designed by Berret Racoupeau Yacht Design with interiors by Nauta Design, this yacht offers a perfect balance between easy handling, speed, and comfort, making her ideal for both experienced sailors and relaxed cruising..

**It's in excellent condition and has been used very little!**

**Ready to Sail!**

Introducing one of the highest specification examples of the Beneteau Oceanis 51.1 currently available on the market, a privately owned and meticulously maintained yacht that effortlessly combines luxury living with serious cruising capability.

Designed for extended time aboard, this exceptional vessel benefits from an extensive list of premium upgrades rarely found in comparable yachts. Comfort is paramount, with features including full air-conditioning, dishwasher, washing machine, wine fridge, and a discreet pop-up TV, creating a true "home on the water" experience.

Below deck, all cabins have been enhanced with upgraded mattresses and bespoke carpeting, elevating the interior to a refined, luxurious standard that far exceeds factory specification.

On deck, bespoke upgraded cushions provide superior comfort whether underway or at anchor, making the cockpit and lounging areas ideal for both entertaining and relaxation.

Performance and ease of handling are equally impressive. Powered by the upgraded 110hp Yanmar 4JH110 CR engine with electronic throttle control at the helm, she offers smooth, responsive manoeuvring under power. Under sail, she is exceptionally well-equipped with in-mast reefing, a self-tacking jib, electric winches, and upgraded DCX sails, delivering a perfect balance of performance and effortless handling, even with a reduced crew.

Having just completed full pre-season maintenance, she is presented in turnkey condition and ready for immediate enjoyment.

This is a rare opportunity to acquire a truly standout Oceanis 51.1, offering a level of specification, comfort, and readiness that is seldom matched.
