OTHER:

The Jeanneau Cap Camarat 8.5 WA is not just a motorboat: it is a permanent invitation to the Mediterranean.

With its sporty lines, its huge sun deck and that perfect balance between elegance and power, it exudes a sense of freedom even when moored in harbour.

Launched in 2016, this walkaround of almost 8.5 metres was built to enjoy the sea in style: breakfasts whilst at anchor in coves, sunsets accompanied by soft music, and fast cruising in complete safety. Jeanneau designed it with those in mind who want more than just a boat: an experience.

Its open cockpit, easy movement around the deck and comfortable cabin for four people turn every trip into a getaway. And when fitted with twin engines, its character changes completely: smooth when cruising, powerful when accelerating and very seaworthy even in rough seas.

JEANNEAU CAP CAMARAT 8.5 WA, built in 2015 and launched in 2016 – ready to enjoy!
