A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

OTHER:

Beneteau Swift Trawler 43 Fly

THE MODERN OFFSHORE YACHT

The new Swift Trawler 43 Fly embodies a new way of experiencing life on board: more relaxed, more comfortable and more in touch with nature. True to the Swift Trawler DNA, it combines autonomy, safety and on-board comfort in a yacht designed to make the most of every moment spent on the water.

EXTERIOR DESIGN

The Swift Trawler 43 Fly offers a more robust and functional silhouette, inspired by the spirit of cruising yachts, whilst expressing a contemporary vision of life at sea. Its elegant profile, high bow and redesigned proportions reinforce its character and lend it an air of confidence whilst underway.

The flybridge offers a spacious outdoor area featuring a large U-shaped seating area with adjustable backrests, allowing several guests to enjoy the views towards the bow whilst underway and transforming into a cosy lounge once at anchor.

The flybridge also incorporates dedicated storage and transport solutions for leisure equipment such as paddleboards, kayaks or the tender. The optional Tenderlift system simplifies launching and handling.

The adaptable cockpit offers more space and flexibility, with the option to integrate a sliding seating configuration to suit the intended use and on-board lifestyle.

Designed to facilitate manoeuvring and expand cruising options, the vessel incorporates practical features focused on ease of use: a folding radar mast to reduce headroom, safe side access and optimised circulation throughout all exterior spaces.

INTERIOR DESIGN

On board, the Swift Trawler 43 Fly offers a more welcoming cruising experience thanks to its spacious layout, premium-quality materials and ergonomics designed for extended stays.

The more spacious galley, with a Corian worktop, offers enhanced functionality and storage capacity, whilst the saloon invites you to share moments of togetherness in a warm and contemporary atmosphere. The optional electric skylights and integrated solar panels make life on board even more pleasant.

The accommodation focuses on privacy and well-being, with a cosy owner's cabin, a redesigned guest cabin and bathrooms fitted with truly separate shower cubicles. The port-side cabin has direct access to the day bathroom thanks to a 'Jack & Jill' layout.

For an even more refined on-board experience, the 'Luxe Pack' enhances the ambience with top-quality finishes inspired by motor yacht standards.
