A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

OTHER:

FIGARO BENETEAU 3

The Figaro Beneteau 3 is the first production foiling one-design monohull ever to be designed. A distillation of technology and innovation, it results from a collaboration between group Beneteau's best experts and the Van Peteghem Lauriot-Prévost (VPLP) office, the architects of the two last boats to win the Vendée Globe.

The prototype is currently being built and will be launched and tested this summer 2017. It will enter the ISO/World Sailing design category A.
