Modern and stylish, she preserves the traditional elegance of a established range. Autonomy, habitability, panache – she has everything to make short cruising a great experience.

EXTERIOR DESIGN

With her Airstep® hull, the Antares 9 cuts gently through the waves offering a comfortable ride and safe navigation. With U-shaped seats that convert to sunbathing areas, her attractive spacious cockpit (1.53 x 2.40 m) is a great place to relax with friends. With up to 2 x 200 hp power, the Antares 9 has the latest technological developments in terms of outboard engines.

INTERIOR DESIGN

Two separate cabins, one galley and a cleverly fitted shower room make the Antares 9 the ideal boat for cruises with family and friends! With wraparound windows, the pilothouse has a panoramic view and is incredibly bright. There is a real feeling of space and the lounge is cleverly organized with a co-pilot seat that swings round. This means you can sit facing the sea or facing the chart table.
