The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

This outboard powerboat combines a unique boating experience with ground-breaking comfort. Its smart walk-around concept marries easy movement on board with safety, and with an asymmetric single port walkway, she offers greater deck and cabin space. The cockpit is modular and spacious and the large saloon can be converted to a sunbathing area in no time at all. The galley has all the equipment you need to cook real meals on board, so you can really enjoy life aboard. The deck space has been optimized, particularly to the bow. The layout has been cleverly adapted to provide easy access to a vast sunbathing area for three people. The comfort inside is worthy of a cruiser, with two bright cabins and a real shower space separate from the toilet
