SWIFT TRAWLER 41 SEDAN

A generous passagemaker, the Swift Trawler 41 successfully renews the spirit and style of the trawler range. Ample living space, comfortable and practical, this new innovative 40-foot powerboat, available in both Fly and Sedan versions, has an on-board capacity of up to 7 passengers. What an accomplishment!

EXTERIOR DESIGN

Her stylish, modern, aggressive look reflects the Swift Trawler line renewal, marked by the launch of the Swift Trawler 47. The Swift Trawler 41 has a fluid and balanced profile, emphasized by a slender flared out hull, which means she cuts perfectly through the sea. Her wheelhouse offers a strikingly generous glazed space, while the fore deck, with its large sun pad and a high protective pulpit make this long-distance cruiser even more distinctive. Her new hull has also been designed for optimum fuel consumption and efficiency, in both versions available: Fly or Sedan.

INTERIOR DESIGN

Brightness, user-friendliness and comfortable living characterize the welcoming yet practical spaces of the Swift Trawler 41. There are lots of innovative solutions making life easy aboard. The aft galley links seamlessly with the cockpit, which has a sliding bench making it easy to get to the swim platform. In the wheelhouse, the pilot seat rotates, allowing eight passengers to sit down in the saloon. The lounge space converts to a comfortable double berth sleeping space, surrounded by a curtain for privacy. Below deck, the three cabins on board bring to 7 the number of passengers the boat can accommodate comfortably on this innovative family cruiser.
