OTROS:

BENETEAU MONTE CARLO 6 - CONSTRUIDO 2018, PUESTO EN AGUA 2019!

Colofón de la gama creada por BENETEAU en el 2013, el Monte Carlo 6 seduce a los navegantes más exigentes en el mundo entero. Elegido barco del año en la categoría 'Flybridge hasta 60 pies' con motivo de los 'Motor Boat Awards', el MC6 se impone por un estilo, unas prestaciones y una calidad de construcción que le permite aspirar, sin lugar a dudas, el estatus de yacht.

DISEÑO EXTERIOR

El diseño de carena bellamente tulipada y los portillos de casco redondos elegantemente trabajados, inscriben el Monte Carlo 6 en la pura tradición del yachting. Inmediatamente reconocible sobre el agua, el suntuoso motor-cruiser se distingue también por su flybridge acondicionado como un lujoso espacio de vida. Equipado con dos motores Cummins 600HP, el Monte Carlo 6 consigue una velocidad punta de 28 nudos y despliega todo el par necesario para una aceleración dinámica.

DISEÑO INTERIOR

Todo en armonía, el Monte Carlo 6 ofrece espacios de vida con unos volúmenes incomparables y una distribución que alía compartir e intimidad. Nobleza de los materiales y detalle de los acabados sirven un arte de vivir fuera de lo común en este tamaño de unidad. Espacioso y abierto, el interior respira una comunicación fluida entre la cocina situada en el centro del barco, el inmenso salón y el puesto de gobierno central. Con tres bellos camarotes y su aseo acondicionado, la cubierta inferior reserva una acogida de alto standing.
