This vessel is offered subject to prior sale, price change, or withdrawal without notice.

OTROS:

Este yate está registrado bajo bandera española, con todos los impuestos ya abonados.

Cuenta con un amplio solárium en la proa y una plataforma hidráulica en la popa, equipada con soporte para embarcación auxiliar o moto de agua. El techo rígido tiene una apertura eléctrica.

La zona de control interior ofrece un asiento giratorio tanto para el piloto como el copiloto, acompañado de un sofá en forma de L al lado de babor. En el exterior, los asientos en forma de U rodean una mesa de bañera también a babor.

La construcción de Sea Ray destaca por su robustez y excelente calidad, comparable a los mejores astilleros europeos. El barco tiene dos cómodos camarotes con baño privado y un salón interior muy luminoso, gracias a una gran ventana cenital. El camarote principal en proa incluye una cama doble con somier eléctrico, ajustable mediante un control remoto, ideal para leer cómodamente.

Es el segundo propietario del barco, que siempre ha sido mantenido por el mismo patrón, quien lo ha cuidado meticulosamente. Hace dos años, se instaló una cubierta de teca de 10mm en la bañera y la plataforma de baño. Se dispone del historial completo de mantenimiento y revisiones desde su adquisición.

Equipado con dos motores Cummins diésel con ejes, estos motores son extremadamente fiables y requieren bajo mantenimiento. Además, las hélices de proa y popa, controladas mediante un joystick, facilitan considerablemente las maniobras de atraque y desatraque, haciéndolo muy sencillo de manejar pese a su tamaño.

EQUIPAMIENTO

Equipo eléctrico

Entrada de corriente externa

Generador

Inversor

Electrónica

Sonda

Radar
